Great Book of Woodworking Projects Rodale Books

THE INSTANT NEW YORK TIMES BESTSELLER "Sims's vivid portrait of Trump shrewdly balances admiration with misgivings, and his intricate, engrossing accounts of White House vendettas and power plays have a good mix of immersion and perspective. The result is one of the best of the recent flood of Trump tell-alls." —Publishers Weekly The first honest insider's account of the Trump administration. If you hate Trump you need the truth; if you love Trump you need the truth. After standing at Donald Trump's side on Election Night, Cliff Sims joined him in the West Wing as Special Assistant to the President and Director of White House Message Strategy. He soon found himself pulled into the President's inner circle as a confidante, an errand boy, an advisor, a punching bag, and a friend. Sometimes all in the same conversation. As a result, Sims gained unprecedented access to the President, sitting in on private meetings with key Congressional officials, world leaders, and top White House advisors. He saw how Trump handled the challenges of the office, and

he learned from Trump himself how he saw the world. For five hundred days, Sims also witnessed first-hand the infighting and leaking, the anger, joy, and recriminations. He had a role in some of the President's biggest successes, and he shared the blame for some of his administration's worst disasters. He gained key, often surprising insights into the players of the Trump West Wing, from Jared Kushner and John Kelly to Steve Bannon and Kellyanne Conway. He even helped Trump craft his enemies list, knowing who was loyal and who was not. And he took notes. Hundreds of pages of notes. In real-time. Sims stood with the President in the eye of the storm raging around him, and now he tells the story that no one else has written—because no one else could. The story of what it was really like in the West Wing as a member of the President's team. The story of power and palace intrigue, backstabbing and bold victories, as well as painful moral compromises, occasionally with yourself. *Team of Vipers* tells the full story, as only a true insider could.

Wooden toy trucks are great projects both

for the woodworker who builds them as well as for the end user who'll derive hours of pleasure playing with them. In this collection of 10 working vehicles, author Les Neufeld has selected toys that are consistently rated by toy manufacturers and retailers as top sellers. All the toys are meant to be used and played with, so they are sturdily built and can be made by woodworkers of all skill levels. The toys are grouped into three sections: four giant machines, including a dump truck and loader; three midsize working trucks; and an eclectic group of vehicles, including a school bus in monster-truck mode and an articulated 8-wheel tractor with trailer. *Weekend Toy Projects You Can Make* Sterling Publishing Company Incorporated Making Wood Trucks & Construction Vehicles Sterling Publishing Company, Inc. *Animated Animal Toys in Wood* Sterling Publishing Company Incorporated Offers instructions for making twenty-eight wooden toys and includes drawings and exploded views with detailed measurements.
