Anna Bloom has just come home from a three-week stay in a mental hospital. She feels...okay. It's time to get back to some sort of normal life, whatever that means. She has to go back to school, where teachers and friends are dying to know what happened to her, but are too afraid to ask. And Anna is dying to know what's going on back at the hospital with her crush, Justin, but is too afraid to ask. Meanwhile, Anna's parents aren't getting along, and she wonders if she's the cause of her family's troubles.

A young girl forced to work in a Queens sweatshop calls child services on her mother in this powerful debut memoir about labor and self-worth that traces a Chinese immigrant's journey to an American future. As a teen, Anna Qu is sent by her mother to work in her family's garment factory in Queens. At home, she is treated as a maid and suffers punishment for doing her homework at night. Her mother wants to teach her a lesson: she is Chinese, not American, and such is their tough path in their new country. But instead of acquiescing, Qu alerts the Office of Children and Family Services, an act with consequences that impact the rest of her life. Nearly twenty years later, estranged from her mother and working at a Manhattan start-up, Qu requests her OCFS report. When it arrives, key details are wrong. Faced with this false narrative, and on the brink of losing her job as the once-shiny

start-up collapses, Qu looks once more at her life's truths, from abandonment to an abusive family to seeking dignity and meaning in work. Traveling from Wenzhou to Xi'an to New York, *Made in China* is a fierce memoir unafraid to ask thorny questions about trauma and survival in immigrant families, the meaning of work, and the costs of immigration.

Read the book that Marie Lu, New York Times bestselling author of the LEGEND trilogy called, "A fascinating world of parallel universes, sexy doppelgangers, and breathtaking action. Such a fun and addictive read!" A captivating tale of rebellion and romance that spans parallel worlds. Everything repeats. You. Your best friend. Every person you know. Many worlds, many lives—infinite possibilities. Welcome to the multiverse. Sixteen-year-old Sasha Lawson has only ever known one small, ordinary life. When she was young, she loved her grandfather's stories of parallel worlds, inhabited by girls who looked like her but led totally different lives. Sasha never believed such worlds were real—until now, when she finds herself thrust into one against her will. To prevent imminent war, Sasha must slip into the life of an alternate version of herself, a princess who has vanished on the eve of her arranged marriage. If Sasha succeeds in fooling everyone, she will be returned home; if she fails, she'll be trapped in another girl's life forever. As time runs out, Sasha finds herself torn between two worlds, two lives, and two young men vying for her love—one who knows her secret, and one who believes she's someone she's not. "Clever and exhilarating—each page is a pleasure."—Ally Condie, the #1 New York Times bestselling author of *Matched*

A hilarious, honest memoir—combined with just the right amount of relationship advice—from the popular actress and host of the hit podcast *Anna Faris Is Unqualified*. Anna Faris has advice for you. And it's great advice, because she's been through it all, and she wants to tell you what she's learned. After surviving an awkward childhood (when she bribed the fastest boy in the third grade with ice cream), navigating dating and marriage in Hollywood, and building a podcast around romantic advice, Anna has plenty of lessons to share: Advocate for yourself. Know that there are wonderful people out there and that a great relationship is possible. And, finally, don't date magicians. Her comic memoir, *Unqualified*, shares Anna's candid, sympathetic, and entertaining stories of love lost and won. Part memoir—including stories about being "the short girl" in elementary school, finding and keeping female friends, and dealing with the pressures of the entertainment industry and parenthood—part humorous, unflinching advice from her hit podcast, *Anna Faris Is Unqualified*, the book will reveal Anna's unique take on how to master the

bizarre, chaotic, and ultimately rewarding world of love. Hilarious, honest, and useful, *Unqualified* is the book Anna's fans have been waiting for.

Alltagsgeschichte, or the history of everyday life, emerged during the 1980s as the most interesting new field among West German historians and, more recently, their East German colleagues. Partly in reaction to the modernization theory pervading West German social history in the 1970s, practitioners of *alltagsgeschichte* stressed the complexities of popular experience, paying particular attention, for instance, to the relationship of the German working class to Nazism. Now the first English translation of a key volume of essays (*Alltagsgeschichte: Zur Rekonstruktion historischer Erfahrungen und Lebensweisen*) presents this approach and shows how it cuts across the boundaries of established disciplines. The result is a work of great methodological, theoretical, and historiographical significance as well as a substantive contribution to German studies. Introduced by Alf Lüdtke, the volume includes two empirical essays, one by Lutz Niethammer on life courses of East Germans after 1945 and one by Lüdtke on modes of accepting fascism among German workers. The remaining five essays are theoretical: Hans Medick writes on ethnological ways of knowledge as a challenge to social history; Peter Schöttler, on mentalities, ideologies, and discourses and *alltagsgeschichte*; Dorothee Wierling, on gender relations and *alltagsgeschichte*; Wolfgang Kaschuba, on popular culture and workers' culture as symbolic orders; and Harald Dehne on the challenge *alltagsgeschichte* posed for Marxist-Leninist historiography in East Germany.

Adam Nicolson explores the marine life inhabiting seashore rockpools with a scientist's curiosity and a poet's wonder in this beautifully illustrated book. The sea is not made of water. Creatures are its genes. Look down as you crouch over the shallows and you will find a periwinkle or a prawn, a claw-displaying crab or a cluster of anemones ready to meet you. No need for binoculars or special stalking skills: go to the rocks and the living will say hello. Inside each rock pool tucked into one of the infinite crevices of the tidal coastline lies a rippling, silent, unknowable universe. Below the stillness of the surface course different currents of endless motion—the ebb and flow of the tide,

the steady forward propulsion of the passage of time, and the tiny lifetimes of the rock pool's creatures, all of which coalesce into the grand narrative of evolution. In *Life Between the Tides*, Adam Nicolson investigates one of the most revelatory habitats on earth. Under his microscope, we see a prawn's head become a medieval helmet and a group of "winkles" transform into a Dickensian social scene, with mollusks munching on Stilton and glancing at their pocket watches. Or, rather, is a wrinkle more like Achilles, an ancient hero, throwing himself toward death for the sake of glory? For Nicolson, who writes "with scientific rigor and a poet's sense of wonder" (*The American Scholar*), the world of the rock pools is infinite and as intricate as our own. As Nicolson journeys between the tides, both in the pools he builds along the coast of Scotland and through the timeline of scientific discovery, he is accompanied by great thinkers—no one can escape the pull of the sea. We meet Virginia Woolf and her *Waves*; a young T. S. Eliot peering into his own rock pool in Massachusetts; even Nicolson's father-in-law, a classical scholar who would hunt for amethysts along the shoreline, his mind on Heraclitus and the other philosophers of ancient Greece. And, of course, scientists populate the pages; not only their discoveries, but also their doubts and errors, their moments of quiet observation and their thrilling realizations. Everything is within the rock pools, where you can look beyond your own reflection and find the miraculous an inch beneath your nose. "The soul wants to be wet," Heraclitus said in Ephesus twenty-five hundred years ago. This marvelous book demonstrates why it is so. Includes *Color and Black-and-White Photographs*

NEW YORK TIMES BESTSELLER ONE OF TIME'S 100 BEST BOOKS OF THE YEAR Sex and the City meets *Bad Blood* and *Catch Me if You Can* in the astonishing true story of Anna Delvey, a young con artist posing as an heiress in New York City—as told by the former *Vanity Fair* photo editor who got seduced by her friendship and then scammed out of more than \$62,000. Rachel DeLoache Williams's new friend Anna Delvey, a self-proclaimed German heiress, was worldly and ambitious. She was also generous—picking up the tab for lavish dinners at *Le Coucou*, infrared sauna sessions at HigherDOSE, drinks at the 11 Howard Library bar, and regular workout sessions with a celebrity personal trainer. When Anna proposed an all-expenses-paid trip to

Marrakech at the five-star La Mamounia hotel, Rachel jumped at the chance. But when Anna's credit cards mysteriously stopped working, the dream vacation quickly took a dark turn. Anna asked Rachel to begin fronting costs—first for flights, then meals and shopping, and, finally, for their \$7,500-per-night private villa. Before Rachel knew it, more than \$62,000 had been charged to her credit cards. Anna swore she would reimburse Rachel the moment they returned to New York. Back in Manhattan, the repayment never materialized, and a shocking pattern of deception emerged. Rachel learned that Anna had left a trail of deceit—and unpaid bills—wherever she'd been. Mortified, Rachel contacted the district attorney, and in a stunning turn of events, found herself helping to bring down one of the city's most notorious con artists. With breathless pacing and in-depth reporting from the person who experienced it firsthand, *My Friend Anna* is an unforgettable true story of "glamour, greed, lust for power" (*The New York Times*), and female friendship.

Pioneering Chinese American actress Anna May Wong made more than sixty films, headlined theater and vaudeville productions, and even starred in her own television show. Her work helped shape racial modernity as she embodied the dominant image of Chinese and, more generally, "Oriental" women between 1925 and 1940. In *Anna May Wong*, Shirley Jennifer Lim re-evaluates Wong's life and work as a consummate artist by mining an historical archive of her efforts outside of Hollywood cinema. From her pan-European films and her self-made *My China Film* to her encounters with artists such as Josephine Baker, Carl Van Vechten, and Walter Benjamin, Lim scrutinizes Wong's cultural production and self-fashioning. By considering the salient moments of Wong's career and cultural output, Lim's analysis explores the deeper meanings, and positions the actress as an historical and cultural entrepreneur who rewrote categories of representation. Anna May Wong provides a new understanding of the actress's career as an ingenious creative artist.

INSTANT NEW YORK TIMES BESTSELLER "One of the most important books I've ever read—an indispensable guide to thinking clearly about the world." - Bill Gates "Hans Rosling tells the story of 'the secret silent miracle of human progress' as only he can. But Factfulness does much more than that. It also explains why progress is so often secret and silent and teaches readers how to see it clearly." —Melinda Gates "Factfulness by

Hans Rosling, an outstanding international public health expert, is a hopeful book about the potential for human progress when we work off facts rather than our inherent biases." - Former U.S. President Barack Obama Factfulness: The stress-reducing habit of only carrying opinions for which you have strong supporting facts. When asked simple questions about global trends—what percentage of the world's population live in poverty; why the world's population is increasing; how many girls finish school—we systematically get the answers wrong. So wrong that a chimpanzee choosing answers at random will consistently outguess teachers, journalists, Nobel laureates, and investment bankers. In Factfulness, Professor of International Health and global TED phenomenon Hans Rosling, together with his two long-time collaborators, Anna and Ola, offers a radical new explanation of why this happens. They reveal the ten instincts that distort our perspective—from our tendency to divide the world into two camps (usually some version of us and them) to the way we consume media (where fear rules) to how we perceive progress (believing that most things are getting worse). Our problem is that we don't know what we don't know, and even our guesses are informed by unconscious and predictable biases. It turns out that the world, for all its imperfections, is in a much better state than we might think. That doesn't mean there aren't real concerns. But when we worry about everything all the time instead of embracing a worldview based on facts, we can lose our ability to focus on the things that threaten us most. Inspiring and revelatory, filled with lively anecdotes and moving stories, Factfulness is an urgent and essential book that will change the way you see the world and empower you to respond to the crises and opportunities of the future. --- "This book is my last battle in my life-long mission to fight devastating ignorance...Previously I armed myself with huge data sets, eye-opening software, an energetic learning style and a Swedish bayonet for sword-swallowing. It wasn't enough. But I hope this book will be." Hans Rosling, February 2017.

No End in Sight offers a critical analysis of Polish cinema and literature during the transformative late Socialist period of the 1970s and 1980s. Anna Krakus details how conceptions of time, permanence, and endings shaped major Polish artistic works. She further demonstrates how film and literature played a major role in shaping political consciousness during this highly-charged era. Despite being controlled by an authoritarian state and the doctrine of socialism, artists were able to portray the unsettled nature of the political and psychological climate of the period, and an undetermined future. In analyzing films by Andrzej Wajda, Krzysztof Kieslowski, Krzysztof Zanussi, Wojciech Has, and Tadeusz Konwicki alongside Konwicki's literary production, Anna Krakus identifies their shared penchant to defer or completely eschew narrative closure, whether in plot, theme, or style. Krakus calls this artistic tendency "aesthetic unfinalizability." As she reveals, aesthetic unfinalizability was far more than an occasional artistic preference or a passing trend; it was a radical counterpolitical act. The obsession with historical teleology saturated Polish public life during socialism to such a degree that instances of nonclosure or

ambivalent endings emerged as polemical responses to official ideology.

NEW YORK TIMES BESTSELLER A superb love story from Anna Quindlen, the #1 New York Times bestselling author of *Rise and Shine*, *Blessings*, and *A Short Guide to a Happy Life* *Still Life with Bread Crumbs* begins with an imagined gunshot and ends with a new tin roof. Between the two is a wry and knowing portrait of Rebecca Winter, a photographer whose work made her an unlikely heroine for many women. Her career is now descendent, her bank balance shaky, and she has fled the city for the middle of nowhere. There she discovers, in a tree stand with a roofer named Jim Bates, that what she sees through a camera lens is not all there is to life. Brilliantly written, powerfully observed, *Still Life with Bread Crumbs* is a deeply moving and often very funny story of unexpected love, and a stunningly crafted journey into the life of a woman, her heart, her mind, her days, as she discovers that life is a story with many levels, a story that is longer and more exciting than she ever imagined. Look for special features inside. Join the Random House Reader's Circle for author chats and more. "There comes a moment in every novelist's career when she . . . ventures into new territory, breaking free into a marriage of tone

and style, of plot and characterization, that's utterly her own. Anna Quindlen's marvelous romantic comedy of manners is just such a book. . . . Taken as a whole, Quindlen's writings represent a generous and moving interrogation of women's experience across the lines of class and race. [*Still Life with Bread Crumbs*] proves all the more moving because of its light, sophisticated humor. Quindlen's least overtly political novel, it packs perhaps the most serious punch. . . . Quindlen has delivered a novel that will have staying power all its own."—The New York Times Book Review "[A] wise tale about second chances, starting over, and going after what is most important in life."—Minneapolis Star Tribune "Quindlen's astute observations . . . are the sorts of details every writer and reader lives for."—Chicago Tribune "[Anna] Quindlen's seventh novel offers the literary equivalent of comfort food. . . . She still has her finger firmly planted on the pulse of her generation."—NPR "Enchanting . . . [The protagonist's] photographs are celebrated for turning the 'minutiae of women's lives into unforgettable images,' and Quindlen does the same here with her enveloping, sure-handed storytelling."—People "Charming . . . a hot cup of tea of a story, smooth and comforting about the vulnerabilities of growing older . . . a pleasure."—USA Today "With spare, elegant prose,

[Quindlen] crafts a poignant glimpse into the inner life of an aging woman who discovers that reality contains much more color than her own celebrated black-and-white images."—Library Journal "Quindlen has always excelled at capturing telling details in a story, and she does so again in this quiet, powerful novel, showing the charged emotions that teem beneath the surface of daily life."—Publishers Weekly "Quindlen presents instantly recognizable characters who may be appealingly warm and nonthreatening, but that only serves to drive home her potent message that it's never too late to embrace life's second chances."—Booklist "Profound . . . engaging."—Kirkus Reviews

In *Sarah Anna Glover: Nineteenth Century Music Education Pioneer*, Jane Southcott explores the life and pedagogy of Sarah Anna Glover, the female music education pioneer of congregational singing (psalmody) and singing in nineteenth-century schools. Glover devoted her life to the creation and propagation of a way of teaching class music that was meticulously devised, musically rigorous, and successfully promulgated. Southcott analyzes Glover's methods, history, and memory, and works to correct inaccuracies and misrepresentations that have emerged since Glover's death.
