Soros Random House
For millennia, messianic visions of redemption have inspired

men and women to turn against unjust and oppressive orders. Yet these very same traditions are regularly decried as antecedents

to the violent and authoritarian ideologies of modernity. Informed in equal parts by theology and historical theory, this book offers a provocative

exploration of this double-edged legacy. Author Jayne Svenungsson rigorously pursues a middle path between utopian arrogance and an enervated postmodernism, assessing the impact of Jewish and Christian theologies of history on subsequent thinkers, and in the process identifying a web of spiritual and intellectual motifs extending from ancient Jewish prophets to contemporary

radicals such as Giorgio Agamben and Slavoj Zizek. **The Magdalene Legacy** PublicAffairs Our Messianic Age is the true story of a modern-day spiritual awakening that arises from one man's exemplary walk with the Lord. Drawing parallels from the messianic age of Jesus and His first followers, the book narrates the life of a humble pastor who is faithful despite severe hardship, and depicts the

impact he has upon six young disciples who learn to follow Jesus and become ministers of the gospel in their own right. The story of their collective "messianic age" unfolds from its setting in a small rural community and its leading church, along with the personalities, events, and occasional humor that occupy it. The key themes of personal faith, discipleship, and evangelism

emerge throughout the narrative. Jerry Lynn Ray, Ph. D., The University of Virginia, is Chair of the Division of Religion and Philosophy at Brewton-Parker College in Mount Vernon, Georgia.	of the Zodiac convey esoterically? Apostle

Harper Collins Is the traditional, accepted view of the life of Christ in some way incomplete? • Is it possible Christ did not die on the cross? • Is it possible Jesus was married, a father, and that his bloodline still exists? • Is it possible that

parchments found in the South of France a century ago reveal one of the best-kept secrets of Christendom? • Is it possible that these parchments contain the very heart of the mystery of the Holy Grail? According to the authors of this extraordinarily provocative, meticulously researched book, not only are these things possible — they are probably true! so revolutionary, so original, so

convincing, that the most faithful Christians will be moved; here is the book that has sparked worldwide controversy. "Enough to seriously challenge many traditional Christian beliefs, if not alter them." — Los Angeles Times Book Review "Like Chariots of the Gods?...the plot has all the elements of an international thriller." — Newsweek [The Grail Enigma](#) Vintage

First published in 1910. *Racing Toward Armageddon* LP Thomas Nelson
Three narratives and an essay by New York Times bestselling author Richard Leigh. Mr. Leigh is co-author, with Michael Baigent and Henry Lincoln, of *Holy Blood, Holy Grail*, the controversial international bestseller. With Michael Baigent, Mr. Leigh has co-authored *The Messianic Legacy, Secret Germany, The Inquisition,*

and *The Elixir and the Stone*. Here Leigh weaves three tales of magic and timeless mystery. Two novellas, 'Erceldoune' and 'The Oisín Society', one short story, 'Druidesse', and an essay 'Mythic Logic', explore the forces at play where the past, present, and future of Ireland intersect. [Are You the One Who Is to Come?](#) Random House (UK)
A compelling account of Christianity's Jewish beginnings,

from one of the world's leading scholars of ancient religion How did a group of charismatic, apocalyptic Jewish missionaries, working to prepare their world for the impending realization of God's promises to Israel, end up inaugurating a movement that would grow into the gentile church? Committed to Jesus's prophecy—"The Kingdom of God is at hand!"—they were, in their

own eyes, history's last generation. But in history's eyes, they became the first Christians. In this electrifying social and intellectual history, Paula Fredriksen answers this question by reconstructing the life of the earliest Jerusalem community. As her account arcs from this group's hopeful celebration of Passover with Jesus, through their bitter controversies that

fragmented the movement's midcentury missions, to the city's fiery end in the Roman destruction of Jerusalem, she brings this vibrant apostolic community to life. Fredriksen offers a vivid portrait both of this temple-centered messianic movement and of the bedrock convictions that animated and sustained it.

Bloodline of the Holy Grail

Skyhorse Publishing Inc.

In 1665, as Jews abandoned reason for the ecstasy of enthusiasm for self-proclaimed Messiah Sabbetai Zevi, Jacob Sasportas watched in horror. Dweck tells the story of the Sephardic rabbi who challenged Sabbetai Zevi's improbable claims and warned his fellow Jews that their Messiah was not the answer to their prayers..

"From the</p>	<p>Paperback edition." <u>Astrology in Ancient Mesopotamia</u> HarperCollins UK As Ambassador and Special Envoy on Afghanistan from 1989 to 1992, Peter Tomsen has had close relationships with Afghan leaders and has dealt with senior Taliban, warlords, and religious leaders involved in the region's conflicts over the last two decades. Now Tomsen draws on a rich trove of never-</p>	<p>before-published material to shed new light on the American involvement in the long and continuing Afghan war. This book offers a deeply informed perspective on how Afghanistan's history as a "shatter zone" for foreign invaders and its tribal society have shaped the modern Afghan narrative. It brings to life the appallingly misinformed secret operations by</p>
--	--	---

foreign intelligence agencies, including the Soviet NKVD and KGB, the Pakistani ISI, and the CIA. American policy makers, Tomsen argues, still do not understand Afghanistan; nor do they appreciate how the CIA's covert operations and the Pentagon's military strategy have strengthened extremism in the country. At this critical time, he shows how the U.S. and the coalition it

leads can assist the region back to peace and stability. *Magdalene Mysteries* Strategic Book Publishing & Rights Agency The Messianic Apostasy: A Synopsis of the Historical Deviation of Pauline Orthodoxy provides a reappraisal of early Pauline theology in the context of 1st-century Palestine and the Hellenistic world in which Paul lived. This scholarly text examines the heretical elements within St

Paul's theology in the context of his contemporary Judaism and how the early Christian church of the first three centuries of the Common Era drew its influences from him. Theological scholar, Colin E Davis, investigates the philosophical and religious zeitgeist of the period and Paul's eventual development of "his Christ figure" along possible Nazarean

lines.

The Lost Mirror - Education in the Hebrew Tradition Liveright Publishing The latest novel from bestselling authors Bodie

and Brock Thoene continues the extraordinary story of faith and love in the first century a.d. that they began in their previous book, The Jerusalem Scrolls. The Old City has fallen and Moshe Sachar, the courageous Israeli leader, remains hidden in an underground tunnel, guarding the ancient sacred scrolls that tell of his people's long, heroic history. Following an elder rabbi's instructions,

Moshe opens a scroll and again becomes immersed in the ancient biblical tale of Marcus, the Roman centurion, and Miryam, the troubled young woman he loves. Combining superb storytelling with an enchanting historical setting, this thrilling episode presents the gripping plight of a striking cast of biblical characters amid a rich tapestry of romance and intrigue.

<p><u>The Messianic Legacy</u> National Geographic Books Discover the Womb Rites and initiatory magic of Mary Magdalene, who was revered as a Priestess and human embodiment of the Goddess • 2020 Nautilus Gold Award • Reveals how Mary Magdalene was a sacred priestess of the ancient Womb Mysteries, connected to moon wisdom, sacred harlot archetypes, and</p>	<p>goddesses in many traditions, including Sophia, Isis, Inanna, Asherah, Lilith, Jezebel, and Witches • Explains how the Magdalene Mysteries have been encoded in Gnostic texts, sacred art, and literature and unveils the secret Grail heresy of the Ghent Altarpiece • Offers rituals and practices to initiate you into the Womb magic of the ancient priestesses and access deeper</p>	<p>dimensions of sexuality and feminine power A sacred priestess of the ancient Womb Rites, Mary Magdalene was at the center of a great and enduring Mystery tradition, one that touched on a stream of perennial spiritual wisdom as old as humanity. Worshipped as the human embodiment of the Goddess, the earthly Sophia, her womb was the spiritual luminatrix that</p>
---	--	--

anointed and empowered Jesus, transforming him into the Christ. As a priestess of the Goddess, Mary Magdalene knew how to embody the light and the dark, how to harness the magic potency of sacred sexual energy, and how to cleanse, awaken, and resurrect the soul. Yet, even though she sparked the creation of a worldwide religion, her story and teachings have been forgotten.

Unveiling the lost left-hand path of the Magdalene, the Feminine Christ, authors Seren and Azra Bertrand explore how this underground stream of knowledge has been carried forward over the millennia through an unbroken lineage of Womb Shamans, Priestesses, Oracles, and Medicine Women. They explain how the Magdalene Mysteries, symbolized by the Rose,

have been encoded in Gnostic codices and gospels and in the highest art, literature, and architecture of many ages, including most significantly the Ghent Altarpiece. They examine Mary Magdalene's connection to moon wisdom, sacred harlot archetypes, and goddesses in many traditions, including Isis, Inanna, Asherah, Lilith, and Jezebel, and look at shamanic,

tantric, and Cathar expressions of sacred feminine mysteries as well as the Witch and Templar roots of Robin Hood and Maid Marian. In this revelatory and magical text on the lost feminine mystery traditions of Mary Magdalene and the lineage of Sophia, the authors present encompassing theological, historical, mythological, and archetypal wisdom, with

rituals and practices to initiate you into the Womb magic of the ancient priestesses and the path of the wild feminine. The Temple And The Lodge Chosen Books Holy Blood, Holy Grail rocked the very foundations of Christianity. Utilizing the same meticulous research that catapulted their first book onto the best seller lists, the authors again

bring an enlightening message of truth — and urgent importance — to Christians and non-Christians the world over. Messianic Judaism is Not Christianity Lighthouse Publishing A detailed study of the earliest forms of astrology in Mesopotamia and their far-reaching hermetic influences from the Renaissance to the present day • Reveals the roots of modern astrology in the

Babylonian science of omens, which was concerned not with individuals but with the state and king • Explores Mesopotamian mythology as it relates to the planets and to astrology • Traces the hermetic transmission of this knowledge over the centuries from Mesopotamia to Egypt to Renaissance Italy Among the many significant discoveries excavated from Assyrian

king Ashurbanipal's royal library in Nineveh were tablets documenting the development of Mesopotamian astrology, now recognized as the earliest astrological science. Drawing upon translations of the Nineveh library tablets as well as many other ancient sources, Michael Baigent reveals the roots of modern astrology in the Babylonian science of omens. He explains how astrology in the Babylonian and Assyrian empires was concerned not with individuals but with the king and the state. He shows that by the first dynasty of Babylon, around 1900 to 1600 BC, astrology had become a systematic discipline, the preserve of highly trained specialists intent upon interpreting omens from the movements of planets and stars. He explores Mesopotamian mythology as it relates to the planets and to astrology as well as to Mesopotamian religion, magic, and politics--for the mythology of Babylon and Assyria served the state and thus changed as the state changed. He shows how this ancient form of astrology uniquely represents both Sun and Moon as masculine entities and Saturn (Ninurta) as

the principle of order imposed on chaos. He examines the connections between ancient astrology and the symbolism of Western religions, such as how the “Greek” or “Templar” cross may symbolize the Babylonian god Nabu, now known as Mercury. Tracing the hermetic transmission of this knowledge over the centuries from Mesopotamia to Egypt to Florence, Baigent

reveals how the religious and magical aspects of early Babylonian cosmological speculation played a significant role in the Renaissance, influencing prominent figures such as Cosimo de Medici, Marsilio Ficino, and Botticelli. **American Messiahs: False Prophets of a Damned Nation** PENDIUM Will current generations live to see Armageddon? Are there really sinister

forces at work, encouraging its imminent arrival? If so, who exactly are they? In his latest investigative book Michael Baigent takes us to the assembly hall of the UN, the boardrooms of major businesses and powerful lobbying groups, the cabinet meetings of world leaders, the ranches of cattle breeders, the churches of the faithful, and the narrow winding streets of modern

Jerusalem, revealing to us the many diverse, public, and clandestine figures behind a perilous messianic agenda. By unveiling truly bizarre alliances, revisiting centuries-old ghostly events still haunting the birthplaces of religion, unraveling complex threads of history to discern the difference between myth and prophecy, and providing a thorough explication of the religious

texts underlying all of this madness in the context of the times in which they were written, Baigent presents a very different view of the past, present, and future than that perpetuated by many loose interpretations of scripture. What are faith force multipliers? Which members of the U.S. military top brass have fought to employ them? Which world leader belongs to a secret

messianic society called the Hojjatieh? What is the Chalcedon Foundation? And what is the correlation between its tenets, those of sharia law, and the fulfillment of end-time prophecies? The answers to these questions and others will intrigue, mystify, and enrage you, whether you're a person of faith or a staunch secularist. But the author's goal is not simply to shock the reader—it is to

help diffuse the time bomb that has been set by the hard-liners of Judaism, Christianity, and Islam. In the end, Baigent asks these questions to deliver an urgent message: that spiritual yearning is actually a deep and personal issue of awareness, one that can bring hope and tolerance to the world, rather than the self-superiority and control that are born of fear and conflict.

Clear Vision in a Dark Place
Arcade Publishing
From the best-selling author of *The Bloodline of the Holy Grail and Lost Secrets of the Sacred Ark* comes an explosive historical detective story presenting secret archives on the mysterious life of Mary Magdalene, the hidden lineage of Jesus and Mary, and the real two-thousand-year-old conspiracy

involving the entire history of Christianity. Mary Magdalene is described in the New Testament as Jesus' close companion -- a woman he loved and his financial sponsor. And yet, in contrast, the Church teaches that she was a prostitute who became repentant. Why the discrepancy between scripture and dogma? Why does Mary appeal so romantically to artists who have painted

her throughout the centuries as something much more significant than the Church traditionally portrays? What is the secret of Mary Magdalene and how much do we really know about her relationship with Jesus? Were they married? Did they have children, and if so, who makes up the messianic lineage?

Laurence Gardner takes us on a detective trail to piece together the true controversial significance of the Magdalene story and its astonishing implications. These include the real da Vinci connection -- the true meaning behind Leonardo da Vinci's paintings and why the Renaissance Church

censored portrayals of the Magdalene -- and information on the sacred marriage of Jesus and Mary Magdalene. Plus the truth about the enigmatic Templar society called the Priory of Scion and the underground stream that protected the sacred heritage of the messianic descendents. And much more!
