Make It Stick HarperCollins

What if every successful start-up followed a predictable pattern, and by knowing that pattern ahead of time, you could be more successful? In *The Hockey Stick Principles*, business consultant Bobby Martin shares his study of more than 100 new businesses, from Lending Tree to Under Armour to iContact, to show that every one of them has had a "hockey stick" growth history, starting with a tinkering period, moving through the daunting "blade years" before finally making it to the crucial inflection point

that precedes surging growth. In this simple but incredibly helpful book, Martin takes us through each of those four stages of the hockey stick pattern, giving us a road map that will help any entrepreneur navigate the inevitable ups and downs of their business's early years.

Time for distractions? Hardly. A chance at making the playoffs? It's a dream for NHL forward Taylor Cunningham that just

might come true. If he can keep his eyes on the ball-ahem, puck. And study for midterms. Dakota Cotton, eleven years his senior, isn't just a distraction, though-he's everything Tay's ever wanted. Dakota has no interest in introducing someone who might not stick around to his four-year-old son. Been there, done that, with the divorce to prove it. But there's something about Tay that hits all of the right buttons and has him wanting to take a chance. As things heat up between them, and the pressure to succeed hits an all-time high, will they risk a shot at happiness or choke?

The Stick Houghton Mifflin Harcourt
A plane crashes on a desert island and the only survivors, a group of schoolboys, assemble on the beach and wait to be rescued. By day they inhabit a land of bright fantastic birds and dark blue seas, but at night their dreams are haunted by the image of a terrifying beast. As the boys' delicate sense of order fades, so their childish dreams are transformed into something more primitive, and their behaviour starts to take on a murderous, savage significance. First published in 1954, *Lord of the Flies* is one of the most celebrated and widely read of modern classics. Now fully revised and updated, this educational edition includes chapter summaries, comprehension questions, discussion points, classroom activities, a biographical profile of Golding, historical context relevant to the novel and an essay on *Lord of the Flies* by William Golding entitled 'Fable'. Aimed at Key Stage 3 and 4 students, it also includes a section on literary theory for advanced or A-level students. The educational edition encourages original and independent thinking while guiding the student through the text - ideal for use

in the classroom and at home.

"The Strange Case of Dr. Jekyll and Mr. Hyde" Stevenson's famous exploration of humanity's basest capacity for evil, has become synonymous with the idea of a split personality. More than a moral tale, this dark psychological fantasy is also a product of its time, drawing on contemporary theories of class, evolution, criminality, and secret lives.

Also in this volume are "The Body Snatcher," which charts the murky underside of Victorian medical practice, and "Olalla," a tale of vampirism and "The Beast Within" which features a beautiful woman at its center.

New York Times bestselling author Lemony Snicket sheds light on the way bad moods come and go. Once there was a bad mood and a stick. The stick appeared when a tree dropped it. Where did the bad mood come from? Who picked up the stick? And where is the bad mood off to now? You never know what is going to happen.

Stick Dog Crashes a Party Macmillan
"A slam-bang, no-bull action thriller...and nobody but nobody writes better dialogue." —New York Daily News It's an established fact: Elmore Leonard is "the uncontested master of the crime thriller" (Washington Post) who "does crime fiction better than anyone" (Cleveland Plain Dealer), and nowhere is this more obvious than in the pages of *Stick*. After serving time for armed robbery, Ernest "Stick" Stickley is back on the outside and trying to stay legit. But it's tough staying straight in a crooked town -- and Miami is a pirate's paradise, where investment fat cats and lowlife drug dealers hold hands and dance. And when a crazed player chooses *Stick* at random to die for another man's sins, the struggling ex-con is left with no choice but to dive right back into the game. Besides, *Stick* knows a good thing when he sees it -- and a golden opportunity to run a very profitable sweet revenge scam seems much too tasty to pass up.

Stick Together Running Press Kids
The #1 New York Times bestseller. Over 4 million copies sold! *Tiny Changes, Remarkable Results* No matter your goals, *Atomic Habits* offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights. Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field.

Learn how to: make time for new habits (even when life gets crazy); overcome a lack of motivation and willpower; design your environment to make success easier; get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.
