RILEY LISA

A Woman of Substance Penguin
A national bestseller, this extraordinary work of investigative reporting uncovers the identities, and the remarkable stories, of the CIA secret agents who died anonymously in the service of their country. In the entrance of the CIA headquarters looms a huge marble wall into which seventy-one stars are carved—each representing an agent who has died in the line of duty. Official CIA records only name thirty-five of them, however. Undeterred by claims that revealing the identities of these "nameless stars" might compromise national security, Ted Gup sorted

through thousands of documents and interviewed over 400 CIA officers in his attempt to bring their long-hidden stories to light. The result of this extraordinary work of investigation is a surprising glimpse at the real lives of secret agents, and an unprecedented history of the most compelling—and controversial—department of the US government.

Things Fall Apart Harper Collins
It seems innocent enough. A disgraced British colonel bequeaths a mysterious letter to his only son. But the moment Adam Scott opens the yellowing envelope, he sets into motion a deadly chain of events that threatens to shake the very foundations of the free world. Within days, Adam's lover is brutally murdered and he's running for his life

through the great cities of Europe, pursued not only by the KGB, but by the CIA and his own countrymen as well. Their common intent is to kill him before the truth comes out. While powerful men in smoke-filled rooms plot ever more ingenious means of destroying him, Adam finds himself betrayed and abandoned even by those he holds most dear. When at last he comes to understand what he is in possession of, he's even more determined to protect it, for it's more than a matter of life and death-it's a matter of honor. **BONUS MATERIAL INCLUDED:** 1st chapter of Jeffrey Archer's newest novel **SINS OF THE FATHER**, coming May 2012. **SINS OF THE FATHER:** On the heels of the international bestseller *Only Time Will Tell*, Jeffrey Archer picks up the sweeping

story of the Clifton Chronicles.... Only days before Britain declares war on Germany, Harry Clifton, hoping to escape the consequences of long-buried family secrets, and forced to accept that his desire to marry Emma Barrington will never be fulfilled, has joined the Merchant Navy. But his ship is sunk in the Atlantic by a German U-boat, drowning almost the entire crew. An American cruise liner, the *SS Kansas Star*, rescues a handful of sailors, among them Harry and the third officer, an American named Tom Bradshaw. When Bradshaw dies in the night, Harry seizes on the chance to escape his tangled past and assumes his identity. On landing in America, however, Bradshaw quickly learns the mistake he has made, when he discovers what is awaiting him in New

York. Without any way of proving his true identity, Harry Clifton is now chained to a past that could be far worse than the one he had hoped to escape.

Just Mercy Naval Institute Press

After an intense friendship, Jaxson joins the navy in order to avoid anything from happening with Julia. However, when he returns a few years later, he's willing to fight for her.

The Booke of Honor and Armes Grand Central Publishing

On a steamy spring morning, Dusty Parker—part-time pastor, part-time search-and-rescue team member, and full-time administrator of a school for troubled boys—joins the search for a missing teenage girl. He partners with volunteer and inner-city school teacher Grace Sinclair, and what they find bonds

them in ways neither could have expected. As they begin to build their lives together, a visitor from the past causes Dusty and Grace to further open their hearts and home. But a threat is looming on their seemingly perfect lives and in one terrifying night, everything changes.

A Man of Honor Crossway Books

In the latest mystery from New York Times bestselling author Charles Todd, World War I nurse and amateur sleuth Bess Crawford investigates an old murder that occurred during her childhood in India, and begins a search for the truth that will transform her and leave her pondering a troubling question: How can facts lie? In 1908, when a young Bess Crawford lived in India, an unforgettable incident

darkened the otherwise happy time. Her father's regiment discovered it had a murderer in its ranks, an officer who killed five people yet was never brought to trial. A decade later, tending to the wounded on the battlefields of France during World War I, Bess learns from a dying man that the alleged murderer, Lieutenant Wade, is alive and serving at the Front. According to reliable reports, he'd died years before, so how did Wade escape India? What drove a good man to murder in cold blood? Bess uses her leave to investigate. But when she stumbles on the horrific truth, she is shaken to her very core. The facts reveal a reality that could have been her own fate.

Men of the Squadron Series Harper Collins

THE JANUARY 2022 REESE'S BOOK CLUB PICK "In the way *A Thousand Splendid Suns* told of Afghanistan's women, Thrity Umrigar tells a story of India with the intimacy of one who knows the many facets of a land both modern and ancient, awash in contradictions." —Lisa Wingate, #1 New York Times bestselling author of *Before We Were Yours* In this riveting and immersive novel, bestselling author Thrity Umrigar tells the story of two couples and the sometimes dangerous and heartbreaking challenges of love across a cultural divide. Indian American journalist Smita has returned to India to cover a story, but reluctantly: long ago she and her family left the country with no intention of ever coming back. As she follows the case of Meena—a Hindu woman attacked by

members of her own village and her own family for marrying a Muslim man—Smita comes face to face with a society where tradition carries more weight than one's own heart, and a story that threatens to unearth the painful secrets of Smita's own past. While Meena's fate hangs in the balance, Smita tries in every way she can to right the scales. She also finds herself increasingly drawn to Mohan, an Indian man she meets while on assignment. But the dual love stories of *Honor* are as different as the cultures of Meena and Smita themselves: Smita realizes she has the freedom to enter into a casual affair, knowing she can decide later how much it means to her. In this tender and evocative novel about love, hope, familial devotion, betrayal, and sacrifice,

Thrity Umrigar shows us two courageous women trying to navigate how to be true to their homelands and themselves at the same time.

The Book of Honor Hachette UK
 NATIONAL BESTSELLER • A "gripping book about this extraordinary man who lived passionately and died unnecessarily" (USA Today) in post-9/11 Afghanistan, from the bestselling author of *Into the Wild* and *Into Thin Air*. In 2002, Pat Tillman walked away from a multimillion-dollar NFL contract to join the Army and became an icon of American patriotism. When he was killed in Afghanistan two years later, a legend was born. But the real Pat Tillman was much more remarkable, and considerably more complicated than the public knew. Sent first to Iraq—a war he

would openly declare was “illegal as hell” —and eventually to Afghanistan, Tillman was driven by emotionally charged, sometimes contradictory notions of duty, honor, justice, and masculine pride, and he was determined to serve his entire three-year commitment. But on April 22, 2004, his life would end in a barrage of bullets fired by his fellow soldiers. Though obvious to most of the two dozen soldiers on the scene that a ranger in Tillman’s own platoon had fired the fatal shots, the Army aggressively maneuvered to keep this information from Tillman’s family and the American public for five weeks following his death. During this time, President Bush used Tillman’s name to promote his administration’s foreign policy. Long

after Tillman’s nationally televised memorial service, the Army grudgingly notified his closest relatives that he had “probably” been killed by friendly fire while it continued to dissemble about the details of his death and who was responsible. Drawing on Tillman’s journals and letters and countless interviews with those who knew him and extensive research in Afghanistan, Jon Krakauer chronicles Tillman’s riveting, tragic odyssey in engrossing detail highlighting his remarkable character and personality while closely examining the murky, heartbreaking circumstances of his death. Infused with the power and authenticity readers have come to expect from Krakauer’s storytelling, *Where Men Win Glory* exposes shattering truths about men and war.

This edition has been updated to reflect new developments and includes new material obtained through the Freedom of Information Act.

Honor Stephanie Tyler, LLC

This book focuses on a special quality that, if embraced by men, can change the lives of those around them and even the course of history. This is not something reserved for a few mighty men of valor, but for every man. It requires courage, perseverance, faithfulness and a willingness of men to serve and even lay down their lives for others. I am referring to the life changing commission of God to walk in honor; living by its code as an all consuming value in every relationship. Honor can be shown publicly, but also quietly and inconspicuously. It operates through

honoring attitudes, words and actions and gives respect, dignity and value to those we deal with daily. "God's trumpet is sounding! It's time to take " the mountain " and raise the flag of honor. It is the high call of God for every man."

Join me on a journey to discover a way of life that could change the world as we know it. You will be inspired to develop unique character and leadership qualities. Many lives, marriages and families have been empowered, healed and restored as men have applied the principles shared in this book. Designed for personal study and ideal for men's groups

Ten Principles for Raising Honorable, Courageous, and Compassionate Boys

Entangled: Indulgence

W.E.B. Griffin's bestselling series, THE

CORPS and BROTHERHOOD OF WAR, have captured the pride and glory of the military community. Now he reveals a city police force with the same unique blend of realism, drama, and action. Here are the brave men and women behind the badge as you've never seen them before--their hopes and fears, their courage and heroism, sparked by a single, shocking event: the killing of a cop in the line of duty.

A Question of Honor Grove City College

Santiago, an old Cuban fisherman, has gone 84 days without catching a fish. Confident that his bad luck is at an end, he sets off alone, far into the Gulf Stream, to fish. Santiago's faith is rewarded, and he quickly hooks a marlin...a marlin so big he is unable to

pull it in and finds himself being pulled by the giant fish for two days and two nights. HarperPerennialClassics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. A promise forces two men to bare themselves... completely. One year ago on a mission gone wrong, Tanner James failed to save the life of Jesse, his Army Ranger teammate. Before dying in that South American jungle, Jesse extracted a promise that won't let Tanner rest until it's fulfilled--no matter what it costs him. Damon Price loved Jesse, but problems

in their relationship had come to a head right before Jesse left on his final mission. Now a reluctant Dom and a man still in mourning, he's not happy when Tanner appears at his BDSM club. And even less happy with Jesse's last request—that Tanner sub for him for one night. After a rough start, Damon realizes that the tough soldier, despite his protests, aches for someone to take control. And Tanner senses a hesitance, an insecurity in Damon that makes him wonder if he's simply a placeholder for Jesse, or if their tentative connection could grow into something more. For Jesse's sake, they agree to try one weekend together. Then duty calls, and a series of attacks that have been happening near the club hits too close to home, making both men wonder if giving their hearts is a

maneuver fraught with too much risk...

The prequel to the million-copy bestseller, *A Woman of Substance*, where, high on the Yorkshire moors, the story of Blackie O'Neill and Emma Harte begins...

Sweet Temptation Rosetta Books
"In this book Alexander Welsh considers the history and meaning of honor and dismisses the idea that we live in a post-honor culture. He notes that we have words other than honor, such as respect, self-respect, and personal identity, that show we do indeed care deeply about the continuing process of respect that motivates or constrains members of a

peer group. Honor's dictates function as moral imperatives." "Surprisingly, little systematic study of the history of honor in Western culture has been attempted. Offering a welcome remedy, Welsh provides a genealogy of approaches to the subject, mining some of the most influential texts of the Western tradition."--Jacket.

Man of Honor Scholastic Inc.
NYPD detective turned small town PI Laney Bird is in a fight to save lives—including her own—after a neighborhood block party turns deadly. A transplant to the upstate New York hamlet of Sylvan, all Laney wants is a peaceful life for herself and her son. But things rarely remain calm in Laney's life—and when her neighborhood summer block party explodes in

shocking violence and ends with the disappearance of her friend and another woman, she'll need all her skills as a PI to solve a mystery that reaches far beyond her small town. As people closest to Laney fall under suspicion, the local authorities and even her colleagues question her own complicity. And then there's fifteen-year-old Alfie, her complicated and enigmatic son, obviously hiding something. Even as Laney struggles to bury evidence of her boy's involvement, his cagey behavior rings every maternal alarm. Laney's personal life unravels as she's drawn into her missing friend's dark secrets and she realizes she and Alfie are in danger. With treachery blazing hot as the searing summer sun, Laney fights to save lives, her family's included.

Knights in Training Buccaneer Books
Lt. Michael Patrick Murphy, commander of Navy SEAL Team 10, posthumously received the Congressional Medal of Honor for his heroic actions on 28 June 2005 during a fierce battle with Taliban fighters in the remote mountains of eastern Afghanistan. Michael was the first recipient of the nation's highest military honor as a result of U.S. involvement in Afghanistan. He was also the first naval officer to earn the medal since the Vietnam War, and the first SEAL to be honored posthumously. A young man of great character, he is the subject of Naval Special Warfare courses on leadership, and an Arleigh Burke-class guided missile destroyer, naval base, school, post office, ball park, and hospital emergency room have all

been named in his honor. In his bestselling book, Marcus Luttrell, the only survivor of Operation Red Wings, called Michael "the best officer I ever knew, an iron-souled warrior of colossal, almost unbelievable courage in the face of the enemy." SEAL of Honor tells the story of Michael's life and how he came to be that man of selfless courage and honor. This biography argues that his heroic action during the deadly firefight with the Taliban revealed his true character and attempts to answer why Michael readily sacrificed his life for his comrades. SEAL of Honor is the story of a valiant young man who was recognized by his peers for his compassion and leadership, because he was guided by an extraordinary sense of duty and responsibility. Tracing Michael's journey

from a seemingly ordinary life on New York's Long Island to that remote mountainside in Afghanistan, SEAL of Honor portrays how he came to the moment of extraordinary heroism that made him the most celebrated Medal of Honor recipient since WWII. Moreover, the book brings the Afghan war back to the home front, focusing on the tight-knit Murphy family and the devastating effect his death had on them as they watched the story of Operation Red Wings unfold in the news. The book attempts to answer why Michael's service to his country and his comrades was a calling faithfully answered, a duty justly upheld, and a life, while all too short, well lived.

Men in Blue Focus Publishing (MN)
Okonkwo is the greatest warrior alive,

famous throughout West Africa. But when he accidentally kills a clansman, things begin to fall apart. Then Okonkwo returns from exile to find missionaries and colonial governors have arrived in the village. With his world thrown radically off-balance he can only hurtle towards tragedy. Chinua Achebe's stark novel reshaped both African and world literature. This arresting parable of a proud but powerless man witnessing the ruin of his people begins Achebe's landmark trilogy of works chronicling the fate of one African community, continued in *Arrow of God* and *No Longer at Ease*.

The Men's Code of Honor A Man of Honour
 Luca Leone Fausti, heir to the infamous

Fausti throne, was one of the most ruthless men our line had ever known. And he was my father. Only one thing had held him back from ruling over the years: iron bars. So when the King Lion was set free, he thought nothing could stop him from claiming what was rightfully his. His sons, and the famiglia. But there was someone who was stronger than iron standing in his way. My wife. She had always feared another woman might claim my heart, but she had no idea that her true opponent was the man who created me. Book VII in an eight-part Royal Organized Crime Romance saga.
[Where Men Win Glory](#) St. Martin's Paperbacks
 Documents the 1901 White House dinner shared by former slave Booker T.

Washington and President Theodore Roosevelt, documenting the ensuing

scandal and the ways in which the event reflected post-Civil War politics and race relations.
