Macroeconomic policy is one of the most important policy domains, and the tools of macroeconomics are among the most valuable for policy makers. Yet there has been, up to now, a wide gulf between the level at which macroeconomics is taught at the undergraduate level and the level at which it is practiced. At the same time, doctoral-level textbooks are usually not targeted at a policy audience, making advanced macroeconomics less accessible to current and aspiring practitioners. This book, born out of the Masters course the authors taught for many years at the Harvard Kennedy School, fills this gap. It introduces the tools of dynamic optimization in the context of economic growth, and then applies them to a wide range of policy questions - ranging from pensions, consumption, investment and finance, to the most recent developments in fiscal and monetary policy. It does so with the requisite rigor, but also with a light touch, and an unyielding focus on their application to policy-making, as befits the authors' own practical experience.

Advanced Macroeconomics: An Easy Guide is bound to become a great resource for graduate and advanced undergraduate students, and practitioners alike.

What is Sufism? Contemporary views vary tremendously, even among Sufis themselves.

Contemporary Sufism: Piety, Politics, and Popular Culture brings to light the religious frameworks that shape the views of Sufism's friends, adversaries, admirers, and detractors and, in the process, helps readers better understand the diversity of contemporary Sufism, the pressures and cultural openings to which it responds, and the many divergent opinions about contemporary Sufism's relationship to Islam. The three main themes: piety, politics, and popular culture are explored in relation to the Islamic and Western contexts that shape them, as well as to the historical conditions that frame contemporary debates. This book is split into three parts: • Sufism and anti-Sufism in contemporary contexts; • Contemporary Sufism in the West: Poetic influences and popular manifestations; • Gendering Sufism: Tradition and transformation. This book will fascinate anyone interested in the challenges of contemporary Sufism as well as its relationship to Islam, gender, and the West. It offers an ideal starting point from which undergraduate and postgraduate students, teachers and lecturers can explore Sufism today.

This volume examines a fundamental concept of language within a historical perspective. The concept is that of public and private communication, the historical period ranges from the late middle ages to the late modern, and the language is English. In short, what are the linguistic traits, discursive practices, communicative settings and intentions which identify and contrast public from private communication, supposing it is possible to make such a fine distinction? The volume contains contributions from top international scholars working in the fields of, for example, historical correspondence, seventeenth- and eighteenth-century print news, sixteenth-century liturgy and political discourse, the language of quack doctors, late modern travel writing, personal notebooks, and even the eighteenth-century public discourse of shopping. As this ground-breaking volume is not just about key concepts in the history of the English language, but also examines at a more general level the concept of private and public communication, the various chapters will interest scholars working in language and communication generally as well as English historical discourse.

One of The Economist's 2011 Books of the Year THE TRUE BUT UNLIKELY STORIES OF LIVES DEVOTED—ABSURDLY! MELANCHOLICALLY! BEAUTIFULLY!—TO THE RUSSIAN CLASSICS No one who read Elif Batuman's first article (in the journal n+1) will ever forget it. "Babel in California" told the true story of various human destinies intersecting at Stanford University during a conference about the enigmatic writer Isaac Babel. Over the course of several pages, Batuman managed to misplace Babel's last living relatives at the San Francisco airport, uncover Babel's secret influence on the making of King Kong, and introduce her readers to a new voice that was unpredictable, comic, humane, ironic, charming, poignant, and completely, unpretentiously full of love for literature. Batuman's subsequent pieces—for The New Yorker, Harper's Magazine, and the London Review of Books— have made her one of the most sought-after and admired writers of her generation, and its best traveling companion. In The Possessed we watch her investigate a possible murder at Tolstoy's ancestral estate. We go with her to Stanford, Switzerland, and St. Petersburg; retrace Pushkin's wanderings in the Caucasus; learn why Old Uzbek has one hundred different words for crying; and see an eighteenth-century ice palace reconstructed on the Neva. Love and the novel, the individual in history, the existential plight of the graduate student: all find their place in The Possessed. Literally and metaphorically following the footsteps of her favorite authors, Batuman searches for the answers to the big questions in the details of lived experience, combining fresh readings of the great Russians, from Pushkin to Platonov, with the sad and funny stories of the lives they continue to influence—including her own.

Prize for Literature Winner of the International IMPAC Dublin Award 'Wonderful' The Spectator 'Magnificent' Observer 'Sumptuous' New Yorker 'Unforgettable' Guardian My Name is Red is an unforgettable murder mystery, set amid the splendour of sixteenth century Istanbul, from the Nobel prizewinning author In the late 1590s, the Sultan secretly commissions a great book: a celebration of his life and his empire, to be illuminated by the best artists of the day - in the European manner. At a time of violent fundamentalism, however, this is a dangerous proposition. Even the illustrious circle of artists are not allowed to know for whom they are working. But when one of the miniaturists is murdered, their Master has to seek outside help. Did the dead painter fall victim to professional rivalry, romantic jealousy or religious terror? With the Sultan demanding an answer within three days, perhaps the clue lies somewhere in the half-finished pictures . . . Orhan Pamuk is one of the world's leading contemporary novelists and in My Name is Red, he fashioned an unforgettable tale of suspense, and an artful meditation on love and deception.
